

Chemtrail Planet

chemtrailplanet.com

Includes information for detoxifying from the poisons of aerosols, photographic & video evidence of chemtrails along with military, scientific and government documents and links as relates to chemtrails. Also includes coverage of various other topics to shed light on the BIG PICTURE.

When you see real actual documents from the perpetrators themselves, you can call it conspiracy because conspiracies exist, but you cannot rightly call it theory.

Other Excellent Sites:

www.arizonaskywatch.com
www.globalskywatch.com
www.geoengineeringwatch.org/
www.chemtrailsplanet.net
www.stopthecrime.net
